

MISS MARBLE

Rock Solid

DESIGN (BY) US

A TIMELESS CHOICE

Miss Marble is our reinterpretation of the classic spotlight, reimagined and redesigned as an exclusive and highly functional piece.

Crafted from solid marble, it brings a refined and timeless aesthetic while delivering precise, focused illumination.

Its compact design makes it easy to place, making it both a practical and elegant choice for modern interiors.

Like our other designs, it shares the same design language through its distinctive marble base. Miss Marble is available in different colors and with fittings in chrome, brass, browned brass, or aluminum.

Brownd Brass | Carrara
H: 9 x W: 8,5/6,5 cm

PRODUCT FACTS

Description

Miss Marble is a luxurious ceiling spotlight made from solid marble, giving the lamp a robust, exclusive, and natural expression.

The lamp is designed to provide precise and focused lighting, making it suitable for both functional and atmospheric illumination.

The choice of marble combined with metal details results in a durable construction and a timeless quality, making it well-suited for spaces such as bathrooms, kitchens, and other areas where both function and aesthetics are important.
