

TREND SHEET

Inspired by timeless tones and the trend of the time, we introduce 'Pure White', 'Rust' and 'Black Ink' to our world of recycled leather. A calm canvas meets warmth and depth across the matte, minimalistic Nupo and the iconic lined texture of Corduroy.

THE NEW HUES

Pure White

A true, uncompromising white — clean, bright, and free of undertones. Calm and timeless, the colour brings light and balance to the table and peace to the mind.

Black Ink

A deep, matte black with a calm, confident presence. Inspired by the timeless elegance of ink on paper, the colour brings depth and contrast to any setting.

STRUCTURE

Rust

A warm, earthy orange-brown with rich undertones of red and deep brown. Inspired by weathered metal and burned orchre, the colour carries a natural depth and quiet warmth.
