BEAUTY IN IMPERFECTION

## S P R I N G S E R E N I T Y

As we welcome the light and colors after a reflective autumn, we are ready to embrace nature's vibrant palette and sense of renewal. This collection of furniture, lighting, planters, and accessories offers not only a visual experience but also a deep sense of comfort for the soul. Light returns to our homes, offering a chance to recharge and discover inner peace as new energy emerges. This is reflected in the spring collection, which blends gentle forms with a modern aesthetic, thoughtfully crafted to bring harmony and warmth into any space.

As spring blossoms, a creative narrative unfolds in the collection's inviting designs, designed to create an elegant balance between form and function, where nature's colors blend seamlessly with elegant, organic shapes.

**SHELF MELANG**

Teak, Nature - W45xH45xD15 cm

Colli: 1 / EAN 5713524044935

EUR Retail incl. VAT 121,-

**EUR Your price excl. VAT 50,-**

**MELANG** combines functionality with aesthetics in a harmonious blend of untreated teak, clean lines, and simple details. The name Melang is derived from an Indonesian city on the island of Java, where teak production originated, giving the series a deep connection to the beauty of nature.

The collection offers a stylish storage solution that elegantly highlights storage options, while the warm teak creates an inviting atmosphere. The series is discreet and elegant, making the shelf a central element in the decor.

With Melang, you not only bring functionality into your home but also a sense of calm and natural beauty that invites reflection and coziness.

**POUF BRONX L**

Suede, brown - W50xH50xD50 cm

Colli: 1 / EAN 5713524045499

EUR Retail incl. VAT 402,-

**EUR Your price excl. VAT 196,-**

**THE BRONX SERIES** is a raw, masculine, and minimalist furniture collection that embraces the combination of rugged metal and suede.

The modern and functional Bronx pouf is crafted from durable suede, featuring beautiful stitching details that give the pouf a raw and exclusive look. The natural suede provides a wonderful texture and a natural color tone.

This pouf is suitable for in-door use and serves as an extra seating option – especially when combined with other pieces from the series. The pouf contains firm foam material, making it extremely comfortable.

The Bronx pouf is a perfect example of how functional furniture doesn't have to be boring.

The durable suede makes the pouf easy to clean with a damp cloth.

EUR Retail incl. VAT 157,-

EUR Your price excl. VAT 65,-

**KIHO** is a series of elegant, organic glass lamps inspired by the poetry of nature. The name "Kiho" comes from the Japanese word for "air bubble" and reflects the lamp's unique design, reminiscent of bubbles slowly rising to the surface of the sea.

The characteristic glass of the series features fine textures and details that add a subtle storytelling element, making each lamp a small work of art. The clear glass shade emits a beautiful, warm light that creates magical reflections and enhances the lamp's poetic expression.

Kiho's simple and aesthetic design conveys a sense of tranquility and natural elegance in any space.

The lamp has an E27 socket and supports up to a maximum of 25 watts.

**CANDLES YORO - NORDIC GLOW S/4 STK.**

Stearin - Ø2,2xH30 cm

Colli: 12 / EAN 5713524045666

EUR Retail incl. VAT 22,-

EUR Your price excl. VAT 9,-

**THE YORO** candles embody the essence of simple, refined candles with tactile surfaces, carefully selected to add an artistic touch to any candle holder. Yoro translates to joy in Japanese, "Yorokobi," and the Yoro candles celebrate the joy and hope that a light can bring in the darkness.

Yoro is not a shout but a whisper, a gentle dance of light on the wall. The fragile flame reminds us that joy can be fleeting, yet with our attention, the light can also become a source of togetherness and celebration, perfect for an elegant table setting.

The candles are Swan labeled and produced in the EU.

They are made of 100% stearin and have a burning time of approximately 11 hours.

Colli: 1 / EAN 5713524045215

EUR Retail incl. VAT 259,-

EUR Your price excl. VAT 107,-

**THE MICHIGAN** wall mirror is designed with inspiration from the vibrant atmosphere of the metropolis. Its organic shapes symbolize the riverbanks, while the simple black frame pays tribute to industrial style. The mirror adds elegant, curved forms to your decor, and with its versatile hanging options, it becomes a decorative wall element.

Perfect for hallways, bathrooms, or living rooms, it breaks the monotony of minimalist design and adds personality to your home. With Michigan, your decor transforms into a unique space where urban inspiration meets organic elegance.

The mirror can be hung in various ways, allowing you to find the perfect placement.

Glass, Clear - Ø16xH25 cm

Colli: 4 / EAN 5713524044942

EUR Retail incl. VAT 73,-

**EUR Your price excl. VAT 30,-**

**MUD** is a series of beautiful vases, handmade and inspired by mud, which is reflected in their name. The vases are shaped by hand using wet clay, creating a unique surface texture. Each vase is then finished with a rustic and characterful glaze, giving the collection a raw, organic look.

The surfaces of the vases tell their own story as you run your hands over them, making each piece unique. Small variations in the glazing process ensure that every vase has its own distinct character.

The vases are available in various colors and materials, featuring silky-smooth finishes that fit perfectly in a nature-inspired home, where bouquets play a key role in the personal decor.

**DAWN** is a fascinating series of rustic indoor jars and vases that celebrate the promise of tomorrow and symbolize the light that returns night after night. The collection unites the rustic and the organic, adding a touch of character and energy to the decor.

The Dawn series features a rustic surface that evokes the raw beauty of nature at dawn and the quiet promise of a new beginning at sunrise. The elegant jars is made of terracotta with a captivating surface in light and dark shades, which together create a vibrant expression with character – a connection to nature and a reminder of the beauty in imperfection.

The white hue of the series resembles dew drops slowly evaporating in the rising sun, leaving behind a sense of purity and balance.

**THE LUNA VASE** is a piece of art in home decor, bringing natural beauty into the interior. The Luna vase has a light, raw, and inviting look, making it a beautiful addition to the popular Luna series, characterized by unique shapes and a stunning aesthetic expression. Luna is ideal for both minimalist and rustic interiors.

Luna is made of terracotta and cast in a mold. The vase's unique surface and glaze are then handcrafted, where the paint is applied and fired to create a rustic look. Each vase therefore has its own story and expression, adding soul and personality to the decor.

The vase should only be used indoors and is not suitable for direct planting. It is perfect for dried arrangements or flowers.

The vase is NOT waterproof. Instead, use a waterproof plastic pot or line the inside of the vase with plastic to protect the surface. You can also place a small glass at the bottom and style the vase with fresh flowers.

Luna is a handmade product, so each vase will vary in color and have its own unique appearance.

**SAI** is a unique collection of outdoor jars that combines the raw beauty of industry with timeless design. With a blend of sustainability, functionality, and artistic flair, Sai jars create a bold expression that brings character and history to your garden.

The series is crafted from recycled iron sourced from scrap in the automotive industry, transformed into functional and beautiful works of art that add an authentic and raw vibe to any outdoor space. The industrial heritage, elegantly paired with a classic design, creates a nostalgic atmosphere.

The series' natural patina adds a robust and distinctive look, making the jars ideal for any outdoor setting. Available in various sizes, they are perfect for arranging together in a harmonious and natural display.

The jars are frost-resistant in temperatures down to -10 degrees Celsius.  
 The jar also comes with a stopper for the hole in the bottom, so you can use the jar indoors.

**ANCHOR**

As the azure waves of the sea caress the shore, the Anchor collection creates a harmonious union of interior design and nature through beautiful design.

Inspired by the timeless beauty of the ocean, which is elegantly celebrated in the collection's captivating colors, the series conveys a calming atmosphere that brings the ocean's infinity into your home. The azure color and timeless design of the pots make the collection the perfect choice for a personal and atmospheric interior, where the color can transform your space into an oasis of style and tranquility.

Originally designed as a commemorative pot, Anchor is now being relaunched in a collection featuring two new pots with beautiful, organic shapes.

Each pot is handcrafted, giving it a unique expression, which means there may be variations in colors, and each pot will have its own distinct character. Anchor pots are indoor pots that are perfect for decorating with dried branches or flowers.

**SUJI** is a series of beautiful, curved tapas boards, crafted with a love for natural forms and materials. The unique marbling of the stone reflects nature's own design, resembling a mosaic of the earth's veins. From deep gray tones to ivory white, the stone's veins form a microscopic landscape, adding a natural beauty to each board.

Suji is both functional and aesthetic in table settings, highlighting the contrast between the refined and the natural. With its soft curves, the Suji tapas board brings a timeless, artistic touch to the table. Like a stone shaped by water and wind, each board tells its own unique story, a testament to the passage of time.

**TEGA**

At the dining table, where togetherness and conversations come together, the Tega tableware series serves as a focal point for memorable meals and delightful experiences. Tega is inspired by the shape of a hand bowl and is made from ceramic with a unique and inviting glaze, transforming each piece into a living work of art.

The organic shapes and soft edges create a quiet dialogue between nature and human hands. The tableware is named after the Japanese word for shaping hands like a bowl—"Tega," which symbolizes the gesture of extending a hand shaped like a bowl to another.

Glazed with a creamy white finish featuring a distinctive texture, Tega exudes a subtle elegance.

**RIPE** stands out with its characteristic rippled surface and organic shape, adding elegance and sculptural beauty. Each product in the series is carefully crafted in an aesthetic form, contributing to a stylish and sharp expression that defines the overall look of the series.

The series includes a water carafe, water glasses, red and white wine glasses, champagne and cocktail glasses and bowls in clear glass, each carefully created in its own unique form, giving each glass its own special character.

The organic contours diverge from traditional dinner tables. With its extensive selection, the series facilitates the creation of a stylish and personalized table setting.

Each product is mouth-blown and created with a modern, rippled surface - a technique that makes each piece in the series truly special.
