# GENERAL INFORMATION

## Conditions of sale and terms of delivery:

This pricelist is valid from 01.06 2026 and will replace all previous pricelists.  
Current sale terms should at all times be observed.

Please send orders to: [order@designconceptdenmark.dk](mailto:order@designconceptdenmark.dk)

The order is registered and accepted when written order confirmation is present.

Confirmed delivery time is ex. works. It is the customers responsibility to check order confirmations forwarded by Design Concept Denmark and thereby reassure that it is consistent with the order.

If your order is not already packed and in transit, you can cancel the order within 24 hours.

All orders require a credit approval equal to the total order amounts.

Design Concept Denmark may postpone delivery of any order or cancel orders in writing without incurring any liability for them if the buyer or companies or persons affiliated with the buyer have any unpaid overdue invoices relating to previously delivered orders or otherwise have any outstanding unpaid amounts.

We accept no liability for misprints, image errors, price changes, discontinued goods or errors.

## Environmental fee

All orders will be charged an EUR 11,- environmental fee.

## Breach of sales colli

It is not possible to break the sales unit.

## Transportinformation:

Delivery terms: DAP

Note regarding UK and CH: Regardless of DAP delivery terms, a customs clearance fee of EUR 50 will be charged.

This is to ensure the most efficient and cost-effective customs clearance for the customer

For orders lower than EUR 600,- net excl. VAT there will be a freight cost on EUR 75,-

Free shipping on orders above EUR 600,- net excl. VAT

The above freight condition will only include mainland. The freight condition will NOT apply to islands and the rest of the world – here we will calculate an actual freight charge.

Please note that we only ship to warehouse addresses and if your address requires repacking to a smaller vehicle, a surcharge can be added.

## Damage during transport:

If the goods are damaged during transportation, or a suspicion occurs, the goods MUST be examined and any damages reported to the forwarding agent immediately, therefore the packaging must be examined carefully when receiving the goods. Design Concept Denmark cannot be held responsible for transport damages that are reported after the deadline according to the carrier's conditions.

## Complaints:

Agreement required for returning goods. When returning goods, the furniture damaged MUST be wrapped up securely. Design Concept Denmark is not responsible for any transportation damages which are caused by inadequately packing.

If there is no visible damage to the packaging, transport damage must be reported no later than 7 days after receiving the goods  
If an order has been transported further, all cover for nonvisible damage is waived. In case of missing number of colli and/ or packaging, this must be reported no later than 7 days after receiving the order.

## GENERAL INFORMATION

Returning goods: Design Concept Denmark will pay the transport costs from/to Design Concept Denmark and the customer. If the claim hasn't been approved by Design Concept Denmark the customer pays for the transport. It is the customer's responsibility to inspect the claim together with a representative from Design Concept Denmark. Design Concept Denmark will make an assessment whether the claim shall be repaired or replaced. The customer cannot demand a refund by repairing the claim.

### Limitations of liability:

Design Concept Denmark will assume no liability for any loss as a result of delays, defects or any other breach of contract, unless such loss was caused by gross negligence on the part of Design Concept Denmark. Design Concept Denmark will assume no liability for any indirect loss, including loss of profits, operating loss, goodwill, loss of customers, running costs or any other consequential economic loss.

### Measurement:

Please note that a difference in measurement may occur.

### Targets, Technical Information and Intellectual Rights:

Product information, illustrations, drawings, information on technical data (e.g. weight, dimensions, volume, strength, load capacity and surface), materials in catalogues, brochures or other materials are solely indicative. We reserve the right to modify specifications and descriptions without warning. All drawings and technical documents regarding products are the property of Design Concept Denmark and may not be copied, reproduced or disclosed to third parties.

Design Concept Denmark retains ownership of all intellectual property rights associated with the products, and the buyer does not obtain any right to make use of Design Concept Denmark's intellectual property rights above and beyond what may be necessary for the normal use of the purchased products.

### Ownership

Design Concept Denmark shall retain the ownership rights to the delivered products until the buyer has paid the entire purchase amount in full plus any incurred costs.

### Guarantee and liability:

Design Concept Denmark grants a 2-year guarantee on all products in our official price lists. The guarantee shall be voided if the product shows signs of misuse, improper handling or other physical damage.

No guarantee is provided for damage occurring as a result of incorrect fitting by a third-party fitter. Design Concept Denmark may never be held liable for indirect losses, such as operating losses, loss of profit, loss of income or other indirect losses, regardless of whether such losses are due to liability for defects, delays, products or similar.

The amount of Design Concept Denmark's liability for compensation is always limited to the amount of the order that gave rise to the liability for compensation.

Minor defect in the laminate can occur, which are within the supplier's tolerance and permitted values according to the European standard EN438. In addition a colour difference between table and leaves can occur.

Direct sunlight, heat, alcohol and moisture are bad for wooden furniture. Regardless of how the wood is treated, we therefore recommend limiting direct sunlight and avoiding direct contact with heat and moisture. For optimal treatment of the product, we refer to our treatment instructions.
